

Stack more services, earn more commissions

Earn up to an additional \$20,000 in commission on qualifying multi-service deals.

Enjoy two ways to earn on Dedicated Fiber Internet (DFI) and Ethernet deals:

1X MRR

on new DFI or Ethernet deals that include managed services

3-year minimum term required

OR

1X MRR

on all renewals that add DDoS to their existing DFI or Ethernet accounts

3-year minimum term required

Act now! Incentive expires June 28, 2026

TERMS AND CONDITIONS: All qualifying Managed Network Edge (MNE), Enterprise Network Edge (ENE), or DDoS sales that are sold with DFI or Ethernet Service for a 3-year minimum term will be paid a one-time incentive of 1 X of MRC. Payment will be made to Authorized Channel Partners based on a Salesforce opportunity stage of "Sale Complete" and within normal commission payment cycles. This incentive is a limited-time, one-time payment incentive. Eligibility begins April 29, 2026, and runs through June 28, 2026. The end date is subject to change at any time and at the sole discretion of Spectrum. Authorized Channel Partner must be in good standing within Spectrum's Partner Program. Maximum payment of \$20,000 per qualifying client sale and cannot be combined with any other paid incentive. Special pricing or Individual Case Basis (ICB) requests may disqualify opportunities from this incentive. Spectrum reserves the right to recover payments on Service Orders that do not install Services within six months of the effective date of the respective Service Order or if the Services are terminated within six months of installation. Incentive may not be available to all Partners. Contact your Channel Manager for further details. Services not available in all areas. Restrictions apply. ©2026 Charter Communications, all rights reserved.
